Each assignment will require a written component that explains how your visualization choice conveys your intended meaning. How do you intend for your visualization to impact your audience?

- Write a rationalization for your superhero's ...
 - **Goals** – what problem (universal idea) do they stand against and why is it important to the world?
 - **Costume** – what message does their costume send to the world? What meaning do the colors, symbols, and clothing items hold?
 - **Powers** – how do their powers help them to achieve their goals?
